MAHABIR PRASAD SHARMA DIRECTOR DIN: 00175393

MANAGEMENT DISCUSSION AND ANALYSIS:-

a) Industry structure and developments

During the year under review business were affected adversely due to Covid-19 pandemic. NBFCs too witnessed decline in disbursements and margin contraction due to decline in demand and economic slowdown. Above all Covid -19 pandemic has badly affected the economy. There is ample liquidity in the Banking system, but credit growth is low. The Monsoons are expected to be normal in the current year and rural demand is by and large intact which is helping agri related businesses.

b) Opportunities and Threats

Your Company being an investment Company seeks opportunities in the capital market. The volatility in stock indices in the financial year under report represents both an opportunity and challenge for the Company. Capital market activities in which most of our activities depend on is also influenced by global events happening in the US, Europe & China and above all by Covid-19 pandemic and hence there is an amount of uncertainty in the near term outlook of the market. With the Government of India policy of Aatmanirbhar Bharat and focus of indigenous manufacturing and infrastructure, the capital market prospects would improve significantly.

c) Segment-wise Performance

The Company is engaged in investment activities and other financial services during the year under review, hence the requirement of segment-wise reporting is considered irrelevant.

d) Outlook

We continue to see a significant opportunity in the market and will use periods of interim weakness as investment opportunities for long term.

e) Risks and Concerns

The performance of the Company is dependent on the capital markets for its returns. Even though it is envisaged that Indian stock market will continue to do well, global concerns can result in sharp corrections.

f) Internal Control Systems and their adequacy:

The Company has adequate internal control systems in technical and financial fields.

g) Financial Performance:

The Financial Performance of the Company has been impacted during the year due to covid-19 pandemic.

h) Human Resources/ Industrial Relations:

The Company has maintained good relations with its employees.

i) Cautionary Statement:

Statements in this report on Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations may be "forward looking statements" within the meaning of applicable securities laws or regulations. These statements are based on certain assumptions and expectations of future events. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting global and domestic demand and supply, finished goods prices in the domestic and overseas markets in which the Company operates, raw-materials cost and availability, changes in Government regulations, tax regimes, economic developments within or outside India and other factors such as litigation and industrial relations. The Company assumes no responsibility to publicly amend, modify or revive any forward looking statements on the basis of any subsequent developments, information or events.

j) Details of significant changes in Key Financial Ratios:
There is no significant change in key financial ratios as compared to the ratios of previous financial year except following:

Sr. No.	Particulars	2020-21	2019-20	Remarks
1)	Current Ratio	33.72	98.13	The Current ratio has declined during the year compare to previous year due to increase in Tax provision and other liabilities during the year.
2)	Return on Net Worth	4.87 %	7.19 %	The Return on Net Worth has declined during the year as compared to previous year due to substantial capital gain during the previous year.

Form No. MR-3 Secretarial Audit Report

(For the Financial year ended **31st March**, **2021**)
[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies

(Appointment and Remuneration of Managerial Personnel) Rules, 2014

To,
The Members
BAJRANG FINANCE LIMITED
L65990MH1971PLC015344
Plot No.11, Cama Industrial Estate,

Goregaon (East), Mumbai -4000063

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **BAJRANG FINANCE LIMITED** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2021, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by **BAJRANG FINANCE LIMITED** ("**The Company**") for the Financial Year ended on **31**st **March**, **2021** according to the provisions of:

- I. The Companies Act, 2013 (the Act) and the Rules made thereunder;
- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- IV. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (**'SEBI Act')** to the extent applicable to the Company:
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers)Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; (not applicable to the Company during audit period);
 - d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; (not applicable to the Company during audit period);
 - e) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents)Regulations, 1993 regarding the Companies Act and dealing with client; (not applicable to the Company during audit period;

- f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (not applicable to the Company during audit period);
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; (not applicable to the Company during audit period).
- i) The examination of compliance of the provisions of other special applicable laws was limited to the verification of procedure on test basis.

I have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India.
- ii. The Listing Agreements entered into by the Company with the Bombay Stock Exchange Limited.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, Listing Agreements etc. mentioned above.

I further report that:

- i. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There are no changes in the composition of the Board of Directors during the period under review.
- ii. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- iii. Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

In the situation of COVID-19 pandemic and resultant lockdown, I have conducted the Secretarial Audit based upon the documents/ information received online and through other digital mode from Company.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, there are no specific events / actions having a major bearing on the Company's affairs in pursuance of the laws, rules, regulations, guidelines, standards, etc., referred to above.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF BAJRANG FINANCE LIMITED Report on the Standalone Financial Statements

Opinion

I have audited the financial statements of **BAJRANG FINANCE LIMITED** ("the Company"), which comprise the balance sheet as at March 31, 2021, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (Collectively referred to as 'standalone financial statements').

In my opinion and to the best of my information and according to the explanations given to my, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at March 31, 2021, and its profit (financial performance including other comprehensive income), changes in equity and its cash flows for the year ended on that date:-

- a. In the case of the balance sheet, of the state of affairs of the company as at 31st March 2021.
- b. In the case of the statement of profit and loss, of the Profit (financial performance including other comprehensive income), changes in equity; and
- c. In the case of the cash flow statement, of the cash flow statement for the year ended on that date.

Basis for Opinion

I conducted my audit in accordance with the Standards on Auditing (Sas) specified under section 143(10) of the Companies Act, 2013. My responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to my audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, Ire of most significance. In my audit of the financial statements of the current period. These matters Ire addressed in the context of my audit of the financial statements as a whole, and in forming my opinion thereon, I have determined that there are no key audit matters to communicate in 'my report.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, than I have required to report that fact. I have nothing to report in this regard.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the. Indian Accounting Standards ('Ind AS') specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that Ire operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related. To going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Boards of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Sas will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing ('Sas'), I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due. To fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances. Under section 143(3) of the Act, I
 am also responsible for expressing my opinion on whether the company has adequate
 internal financial controls system in place and the operating effectiveness of such
 controls
- Evaluate the appropriateness of accounting policies mead and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's mead of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may came the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable users of the financial statements may be influenced. I consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluated the effect of any identified misstatements in the financial statements.
- I communicate with those charged with governance regarding among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
- I also provide those charged with governance with a statement that I have complied
 with relevant ethical requirements regarding independence, and to communicate with
 them all relationships and other matters that may reasonably be thought to bear on my
 independence, and where applicable, related safeguards.
- From the matters communicated with those charged with governance, I determine those matters that Ire of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstance, I determine that a matter should not be communicated in my report became the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

- 1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, I give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. As required by Section 143(3) of the Act, I report that:
 - a. I have sought and obtained all the information and explanations which to the best of my knowledge and belief Ire necessary for the purposes of my audit.
 - b. In my opinion proper books of account as required by law have been kept by the company so far as it appears from my examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are inagreement with the books of accounts;
 - d. In my opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standard), Rules 2016.
 - e. On the basis of the written representations received from the directors as on 31 March 2021, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2021, from being appointed as a director in terms of section 164(2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial Reporting of the Company and the operating effectiveness of such controls, Refer to our separate Report in "Annexure B".
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in my opinion and to the best of my information and according to the explanations given to me:
 - i. The Company did not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long term contract including derivative contract; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - iii. There has not been any occasion in case of the Company during the year under report to transfer any sums to the investor education and protection fund. The question of delay in transferring such sums does not arise.

ANNEXURE - "B" TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

I have audited the internal financial controls over financial reporting of **Bajrang Finance Limited** ("the Company") as of 31 March 2021 in conjunction with my audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that Ire operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

My responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on my audit. I conducted my audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

My audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. My audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of authorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Became of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In my opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting Ire operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Corporate Information

Bajrang Finance Limited is Public Company domiciled in India and incorporated under the provisions of the Companies Act, 1956 having Corporate Identity Number **L65990MH1971PLC015344**. Its shares are listed on Bombay Stock Exchange in India. The Company is engaged in the business of Finance & Investment Company. The principal place of business of the company is at Goregaon, Maharashtra.

1. Significant Accounting Policies:-

Basis of Preparation of Financial Statements:-

The Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("Act") read with Companies (Indian Accounting Standards) Rules, 2015; and the other relevant provisions of the Act and Rules thereunder.

The Financial Statements have been prepared under historical cost convention basis, except for certain assets and liabilities measured at fair value.

The Company has adopted all the Ind AS and the adoption was carried out in accordance with Ind AS 101 'First time adoption of Indian Accounting Standards'. The transition was carried out from Generally Accepted Accounting Principles in India (Indian GAAP) as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, which was the "Previous GAAP".

The Company's presentation and functional currency is Indian Rupees (Rs.). All figures appearing the financial statements are rounded off to the Rupee, except where otherwise indicated.

1.2 Authorization of Financial Statements:-

The preparation of Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets, liabilities and the accompanying disclosures along with contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require material adjustments to the carrying amounts of the assets or liabilities affected in future periods. The Company continually evaluates these estimates and assumptions based on the most recently available information.

- → Assessment of functional currency;
- → Financial instruments:
- → Estimates of useful lives and residual value of Property, Plant and Equipment and Intangible assets;
- → Valuation of Inventories
- → Measurement of Defined Benefit Obligations and actuarial assumptions;
- → Provisions;
- → Evaluation of recoverability deferred tax assets; and
- → Contingencies.

Revisions to accounting estimates are recognised prospectively in the Statement of Profit and Loss in the period in which the estimates are revised and in any future periods affected.

1.3 Borrowing Costs

- 1.3.1 Borrowing costs consist of interest and other costs incurred in connection with the borrowing of funds. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs.
- 1.3.2 Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a substantial period of time to get ready for its intended use) are capitalized as a part of the cost of such assets. All other borrowing costs are charged to the Statement of Profit and Loss.

1.4 Impairment of Non-financial Assets

- 1.4.1 Non-financial assets other than inventories, deferred tax assets and non-current assets classified as held for sale are reviewed at each Balance Sheet date to determine whether there is any indication of impairment. If any such indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. The recoverable amount is higher of the assets or Cash-Generating Units (CGU's) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets.
- 1.4.2 When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

1.5 Revenue Recognition

1.5.1 Sale of Shares

Revenue from the sale of shares is recognized when the significant risks and rewards of the ownership of the shares have passed to the buyer, the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the shares sold, revenue and the associated costs can be estimated reliably and it is probable that economic benefits associated with the transaction will flow to the Company.

When the Company acts as an agent on behalf of a third party, the associated income is recognized on net basis.

Export Sales are accounted for on the basis of the date of Bill of Lading.

1.6 Classification of Income/ Expenses

- 1.6.1 Income/ expenditure (net) in aggregate pertaining to prior year(s) above the threshold limit are corrected retrospectively in the first set of financial statements approved for issue after their discovery by restating the comparative amounts and / or restating the opening Balance Sheet for the earliest prior period presented.
- 1.6.2 Prepaid expenses up to threshold limit in each case, are charged to revenue as and when incurred.

1.7 Employee benefits

1.7.1 Short term employment benefits

Short term employee benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognized as an expense at an undiscounted amount in the Statement of Profit and Loss of the year in which the related services are rendered.

1.7.2 The pension of Employees Provident Fund Act and ESIC are not applicable to the company

1.7.3 → **Compensated Absences**:

Liability for Compensated Absences is provided on the basis of actuals as at the Balance Sheet date.

1.7.4 **Termination Benefits:**

Termination benefits are recognised as an expense as and when incurred.

1.8 Provisions, Contingent Liabilities and Capital Commitments

- 1.8.1 Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle theobligation and a reliable estimate can be made of the amount of the obligation.
- 1.8.2 The expenses relating to a provision is presented in the Statement of Profit and Loss net of reimbursements, if any.
- 1.8.3 If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.
- 1.8.4 Contingent liabilities are possible obligations whose existence will only be confirmed by future events not wholly within the control of the Company, or present obligations where it is not probable that an outflow of resources will be required or the amount of the obligation cannot be measured with sufficient reliability.

- 1.8.5 Contingent liabilities are not recognized in the financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.
- 1.8.6 Contingent liabilities and Capital Commitments disclosed are in respect of items which in each case are above the threshold limit.

1.9 Fair Value measurement

- 1.9.1 The Company measures certain financial instruments at fair value at each reporting date.
- 1.9.2 Certain accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.
- 1.9.3 Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Company has access at that date. The fair value of a liability also reflects its non-performance risk.
- 1.9.4 The best estimate of the fair value of a financial instrument on initial recognition is normally the transaction price i.e. the fair value of the consideration given or received. If the Company determines that the fair value on initial recognition differs from the transaction price and the fair value is evidenced neither by a quoted price in an active market for an identical asset or liability nor based on a valuation technique that uses only data from observable markets, then the financial instrument is initially measured at fair value, adjusted to defer the difference between the fair value on initial recognition and the transaction price. Subsequently that difference is recognised in Statement of Profit and Loss on an appropriate basis over the life of the instrument but no later than when the valuation is wholly supported by observable market data or the transaction is closed out.

1.10 Financial Assets

1.10.1 Initial recognition and measurement

Trade Receivables and debt securities issued are initially recognised when they are originated. All other financial assets are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial assets other than those measured subsequently at fair value through profit and loss, are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

1.10.2 Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial assets. Based on the business model for managing the financial assets and the contractual cash flow characteristics of the financial asset, the Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit and loss.

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:-

The asset is held within a business model whose objective is -

- To hold assets for collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

<u>Debt instruments at Fair value through Other Comprehensive Income</u> (FVOCI)

A 'debt instrument' is measured at the fair value through Other Comprehensive Income if both the following conditions are met:

The asset is held within a business model whose objective is achieved by both

- collecting contractual cash flows and selling financial assets; and
- contractual terms of the asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

After initial measurement, these assets are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment losses are recognised in the Statement of Profit and Loss. Other net gains and losses are recognised in other comprehensive Income.

Debt instruments at Fair value through Profit or Loss (FVTPL)

Fair Value through Profit or Loss is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation at amortised cost or as FVOCI, is classified as FVTPL.

After initial measurement, any fair value changes including any interest income, foreign exchange gain and losses, impairment losses and other net gains and losses are recognised in the Statement of Profit and Loss.

1.10.3 Impairment of financial assets

In accordance with Ind AS 109, the Company applies Expected Credit Loss ("ECL") model for measurement and recognition of impairment loss on the financial assets measured at amortised cost and debt instruments measured at FVOCI.

Loss allowances on trade receivables are measured following the 'simplified approach' at an amount equal to the lifetime ECL at each reporting date. The application of simplified approach does not require the Company to track changes in credit risk. Based on the past history and track records the company has assessed the risk of default by the customer and expects the credit loss to be insignificant. In respect of other financial assets such as debt securities and bank balances, the loss allowance is measured at 12 month ECL only if there is no significant deterioration in the credit risk since initial recognition of the asset or asset is determined to have a low credit risk at the reporting date.

1.11 Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet, if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

1.12 Taxes on Income

1.12.1 Current Tax

Income-tax Assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, by the end of reporting period.

Current Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

1.12.2 Deferred tax

Deferred tax is provided using the Balance Sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

Deferred Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

1.13 Earnings per share

Basic earnings per share are calculated by dividing the profit or loss for the period attributable to equity shareholders (after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

1.14 Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle (determined at 12 months) and other criteria set out in Schedule III of the Act.

1.15 Cash and Cash equivalents

Cash and cash equivalents in the Balance Sheet include cash at bank, cash, cheque, draft on hand and demand deposits with an original maturity of less than three months, which are subject to an insignificant risk of changes in value.

For the purpose of Statement of Cash Flows, Cash and cash equivalents include cash at bank, cash, cheque and draft on hand. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

1.16 Cash Flows

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

DATED: 28TH JUNE, 2021 **COMPANY SECRETARY**

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF BAJRANG FINANCE LIMITED Report on the Consolidated Financial Statements

Opinion

I have audited the Consolidated Financial Statements of **BAJRANG FINANCE LIMITED** ("The Parent Company"), and its Associates (The Parent company and its Associates together referred to as The Group) which comprise the balance sheet as at March 31, 2021, and the consolidated statement of profit and loss (including other comprehensive income), consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (Collectively referred to as 'consolidated financial statements').

in my opinion and to the best of my information and according to the explanations given to my, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at March 31, 2021, and its profit (financial performance including other comprehensive income), changes in equity and its cash flows for the year ended on that date:-

- a. In the case of the consolidated balance sheet, of the state of affairs of the company as at 31st March 2021,
- b. In the case of the consolidated statement of profit and loss, of the Profit; and
- c. In the case of the consolidated cash flow statement, of the cash flow statement for the year ended on that date.

Other Matter

➤ Consolidated Financial statements and other financial information include the company's Share in Associates Companies which reflects total assets of Rs.913.65 lakhs as at 31.03.2021 and total share in profit of Rs.41.35 lakhs for the year then ended.

Basis for Opinion

I conducted my audit in accordance with the Standards on Auditing (Sas) specified under section 143(10) of the Companies Act, 2013. My responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to my audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, Ire of most significance. In my audit of the financial statements of the current period. These matters Ire addressed in the context of my audit of the financial statements as a whole, and in forming my opinion thereon, I have determined that there are no key audit matters to communicate in 'my report.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, than I have required to report that fact. I have nothing to report in this regard.

Responsibility of Management for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the. Indian Accounting Standards ('Ind AS') specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that Ire operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related. To going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Boards of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Sas will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of meres taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing ('Sas'), I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances. Under section 143(3) of the Act, I
 am also responsible for expressing my opinion on whether the company has adequate
 internal financial controls system in place and the operating effectiveness of such
 controls
- Evaluate the appropriateness of accounting policies made and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may came the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. I consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluated the effect of any identified misstatements in the financial statements.
- I communicate with those charged with governance regarding among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
- I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.
- From the matters communicated with those charged with governance, I determine those matters that Ire of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstance, I determine that a matter should not be communicated in my report became the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

- 1. As required by Section 143(3) of the Act, I report that:
 - a. I have sought and obtained all the information and explanations which to the best of my knowledge and belief Ire necessary for the purposes of my audit.
 - b. In my opinion proper books of account as required by law have been kept by the company so far as it appears from my examination of those books;
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Statement of Changes in Equity and the consolidated Cash Flow Statement dealt with by this Report are in-agreement with the books of accounts;
 - d. In my opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standard), Rules 2016.
 - e. On the basis of the written representations received from the directors as on 31 March 2021, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2021 from being appointed as a director in terms of section 164(2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial Reporting of the Company and the operating effectiveness of such controls, Refer to our separate Report in "Annexure".
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in my opinion and to the best of my information and according to the explanations given to me:
 - i. The Company did not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long term contract including derivative contract; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - iii. There has not been any occasion in case of the Company during the year under report to transfer any sums to the investor education and protection fund. The question of delay in transferring such sums does not arise.

ANNEXURE - TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

I have audited the internal financial controls over financial reporting of **Bajrang Finance Limited** ("the Company") as of 31 March 2021 in conjunction with my audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that Ire operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

My responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on my audit. I conducted my audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

My audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. My audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the Company's internal financial controls system over financial reporting.

Cani	-~				2
Cont	ιu	 			

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of nauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In my opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting Ire operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Corporate Information

Bajrang Finance Limited is Public Company domiciled in India and incorporated under the provisions of the Companies Act, 1956 having Corporate Identity Number **L65990MH1971PLC015344**. Its shares are listed on Bombay Stock Exchange in India. The Company is engaged in the business of Finance & Investment Company. The principal place of business of the company is at Goregaon, Maharashtra.

1. Significant Accounting Policies:-

Basis of Preparation of Financial Statements:-

The Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("Act") read with Companies (Indian Accounting Standards) Rules, 2015; and the other relevant provisions of the Act and Rules thereunder.

The Financial Statements have been prepared under historical cost convention basis, except for certain assets and liabilities measured at fair value.

The Company has adopted all the Ind AS and the adoption was carried out in accordance with Ind AS 101 'First time adoption of Indian Accounting Standards'. The transition was carried out from Generally Accepted Accounting Principles in India (Indian GAAP) as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, which was the "Previous GAAP".

The Company's presentation and functional currency is Indian Rupees (Rs.). All figures appearing the financial statements are rounded off to the Rupee, except where otherwise indicated.

1.2 Authorization of Financial Statements:-

The preparation of Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets, liabilities and the accompanying disclosures along with contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require material adjustments to the carrying amounts of the assets or liabilities affected in future periods. The Company continually evaluates these estimates and assumptions based on the most recently available information.

- → Assessment of functional currency;
- → Financial instruments:
- → Estimates of useful lives and residual value of Property, Plant and Equipment and Intangible assets;
- → Valuation of Inventories
- → Measurement of Defined Benefit Obligations and actuarial assumptions;
- → Provisions;
- → Evaluation of recoverability deferred tax assets; and
- → Contingencies.

Revisions to accounting estimates are recognised prospectively in the Statement of Profit and Loss in the period in which the estimates are revised and in any future periods affected.

1.3 Borrowing Costs

- 1.3.1 Borrowing costs consist of interest and other costs incurred in connection with the borrowing of funds. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs.
- 1.3.2 Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a substantial period of time to get ready for its intended use) are capitalized as a part of the cost of such assets. All other borrowing costs are charged to the Statement of Profit and Loss.

1.4 Impairment of Non-financial Assets

- 1.4.1 Non-financial assets other than inventories, deferred tax assets and non-current assets classified as held for sale are reviewed at each Balance Sheet date to determine whether there is any indication of impairment. If any such indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. The recoverable amount is higher of the assets or Cash-Generating Units (CGU's) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets.
- 1.4.2 When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

1.5 Revenue Recognition

1.5.1 Sale of Shares

Revenue from the sale of shares is recognized when the significant risks and rewards of the ownership of the shares have passed to the buyer, the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the shares sold, revenue and the associated costs can be estimated reliably and it is probable that economic benefits associated with the transaction will flow to the Company.

When the Company acts as an agent on behalf of a third party, the associated income is recognized on net basis.

Export Sales are accounted for on the basis of the date of Bill of Lading.

1.6 Classification of Income/ Expenses

- 1.6.1 Income/ expenditure (net) in aggregate pertaining to prior year(s) above the threshold limit are corrected retrospectively in the first set of financial statements approved for issue after their discovery by restating the comparative amounts and / or restating the opening Balance Sheet for the earliest prior period presented.
- 1.6.2 Prepaid expenses up to threshold limit in each case, are charged to revenue as and when incurred.

1.7 Employee benefits

1.7.1 Short term employment benefits

Short term employee benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognized as an expense at an undiscounted amount in the Statement of Profit and Loss of the year in which the related services are rendered.

1.7.2 The pension of Employees Provident Fund Act and ESIC are not applicable to the company

1.7.3 → **Compensated Absences**:

Liability for Compensated Absences is provided on the basis of actuals as at the Balance Sheet date.

1.7.4 **Termination Benefits:**

Termination benefits are recognised as an expense as and when incurred.

1.8 Provisions, Contingent Liabilities and Capital Commitments

- 1.8.1 Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle theobligation and a reliable estimate can be made of the amount of the obligation.
- 1.8.2 The expenses relating to a provision is presented in the Statement of Profit and Loss net of reimbursements, if any.
- 1.8.3 If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.
- 1.8.4 Contingent liabilities are possible obligations whose existence will only be confirmed by future events not wholly within the control of the Company, or present obligations where it is not probable that an outflow of resources will be required or the amount of the obligation cannot be measured with sufficient reliability.

- 1.8.5 Contingent liabilities are not recognized in the financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.
- 1.8.6 Contingent liabilities and Capital Commitments disclosed are in respect of items which in each case are above the threshold limit.

1.9 Fair Value measurement

- 1.9.1 The Company measures certain financial instruments at fair value at each reporting date.
- 1.9.2 Certain accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.
- 1.9.3 Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Company has access at that date. The fair value of a liability also reflects its non-performance risk.
- 1.9.4 The best estimate of the fair value of a financial instrument on initial recognition is normally the transaction price i.e. the fair value of the consideration given or received. If the Company determines that the fair value on initial recognition differs from the transaction price and the fair value is evidenced neither by a quoted price in an active market for an identical asset or liability nor based on a valuation technique that uses only data from observable markets, then the financial instrument is initially measured at fair value, adjusted to defer the difference between the fair value on initial recognition and the transaction price. Subsequently that difference is recognised in Statement of Profit and Loss on an appropriate basis over the life of the instrument but no later than when the valuation is wholly supported by observable market data or the transaction is closed out.

1.10 Financial Assets

1.10.1 Initial recognition and measurement

Trade Receivables and debt securities issued are initially recognised when they are originated. All other financial assets are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial assets other than those measured subsequently at fair value through profit and loss, are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

1.10.2 Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial assets. Based on the business model for managing the financial assets and the contractual cash flow characteristics of the financial asset, the Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit and loss.

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:-

The asset is held within a business model whose objective is -

- To hold assets for collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

<u>Debt instruments at Fair value through Other Comprehensive Income</u> (FVOCI)

A 'debt instrument' is measured at the fair value through Other Comprehensive Income if both the following conditions are met:

The asset is held within a business model whose objective is achieved by both

- collecting contractual cash flows and selling financial assets; and
- contractual terms of the asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

After initial measurement, these assets are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment losses are recognised in the Statement of Profit and Loss. Other net gains and losses are recognised in other comprehensive Income.

Debt instruments at Fair value through Profit or Loss (FVTPL)

Fair Value through Profit or Loss is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation at amortised cost or as FVOCI, is classified as FVTPL.

After initial measurement, any fair value changes including any interest income, foreign exchange gain and losses, impairment losses and other net gains and losses are recognised in the Statement of Profit and Loss.

1.10.3 Impairment of financial assets

In accordance with Ind AS 109, the Company applies Expected Credit Loss ("ECL") model for measurement and recognition of impairment loss on the financial assets measured at amortised cost and debt instruments measured at FVOCI.

Loss allowances on trade receivables are measured following the 'simplified approach' at an amount equal to the lifetime ECL at each reporting date. The application of simplified approach does not require the Company to track changes in credit risk. Based on the past history and track records the company has assessed the risk of default by the customer and expects the credit loss to be insignificant. In respect of other financial assets such as debt securities and bank balances, the loss allowance is measured at 12 month ECL only if there is no significant deterioration in the credit risk since initial recognition of the asset or asset is determined to have a low credit risk at the reporting date.

1.11 Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet, if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

1.12 Taxes on Income

1.12.1 Current Tax

Income-tax Assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, by the end of reporting period.

Current Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

1.12.2 **Deferred tax**

Deferred tax is provided using the Balance Sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

Deferred Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

1.13 Earnings per share

Basic earnings per share are calculated by dividing the profit or loss for the period attributable to equity shareholders (after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

1.14 Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle (determined at 12 months) and other criteria set out in Schedule III of the Act.

1.15 Cash and Cash equivalents

Cash and cash equivalents in the Balance Sheet include cash at bank, cash, cheque, draft on hand and demand deposits with an original maturity of less than three months, which are subject to an insignificant risk of changes in value.

For the purpose of Statement of Cash Flows, Cash and cash equivalents include cash at bank, cash, cheque and draft on hand. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

1.16 Cash Flows

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

- 22. In view of the Covid-19 pandemic from March 2020 onwards, there was significant reduction in economic activities in the country due to restrictions imposed by various State Governments and local authorities. The Company has considered the possible effect on the carrying amounts of Investments, receivable and other current assets of company due to Covid-19 pandemic. The Company as on the date approval of these financial results has used internal and external sources on the future performance of the company. The Company based on current estimates expect that carrying amount of the company's assets are fully recoverable. Further the Company believes that impact of Covid-19 pandemic on the company's financial statements is temporary and not material.
- 23. Previous year figures are regrouped, rearranged and reclassified, wherever necessary, to conform current year's presentation.
